

WEEKLY REPORT

Summer Internship 2025

Student Name: Vanshika Indravadan Patel Roll No: 22IT117

Week No: 1 Duration: 12/05/2025 : 16/05/2025

Company Name: Agevole Innovation

Project Name: Cash In-Out App

Summary of Work done the week (Attach supporting Documents):

- **Login and Sign-Up Screens:**
 - Designed clean and user-friendly interfaces.
 - Implemented basic **form validation** and input handling.
 - Integrated **Firestore Authentication** for secure login and registration.
- **Home Screen:** Designed four main feature cards with icons and labels for quick access to:
 - Clients – to view and manage client information.
 - Payments – to track and update payment records.
 - Transactions – to view the complete transaction history.
 - Installments – to manage and monitor installment-based payments.
- **Client View Page:**
 - Built a layout to display client information and payment history.
- **Client Add Page:**
 - Created a form to input and store new client details.
 - Implemented validation to ensure completeness and accuracy of input data.
